

MORE-TEM 2024

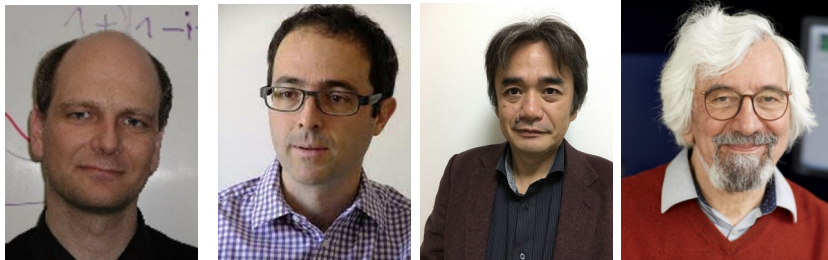

2nd International Symposium on

MOmentum and **po**sition **RE**solved mapping **Tr**ansmission **E**lectron energy loss **M**icroscope

March 25-26 (2024) Osaka, Japan

Following MORE-TEM 2022 symposium which was held in Wien Austria, MORE-TEM 2024 symposium will take place in Osaka March 2024. This symposium is dedicated to research on recent advances in energy resolved and spatial or momentum resolved electron energy-loss spectroscopy (EELS).

Organizers

T. Phichler (Wien), F. Mauri (Rome), K. Suenaga (Osaka), M. Haider (CEOS)

Venue and accommodation: Senri-Hankyu Hotel, Osaka Japan
